Late Registration

An elector may register or change the elector's voter registration information after the close of regular registration specified in [13-2-301](#), MCA, and vote in the election if the election administrator in the county where the elector resides receives and verifies the elector's voter registration information prior to the close of polls on election day.

A late registrant may vote in an election only if the elector obtains the ballot in person from the election administrator and returns it to the location designated by the election administrator, either in person or by mail, subject to applicable deadlines.

Pursuant to [13-2-304](#), MCA, election administrators close late registration at noon on the day before election day and reopen late registration on election day. Any elector wishing to register after noon on the day before the election may do so by submitting a voter registration application at the election office the day before election day or on election day during polling hours, and appearing at the election office on election day in order to vote.

Absent military and overseas electors are eligible for late registration, although they are not required to appear at the county election office in order to late register.

Opening and Closing of Polling Places

According to [13-1-106](#), MCA, polls must open from 7:00 a.m. to 8:00 p.m., except that polling places having fewer than 400 registered electors must be open from at least noon to 8:00 p.m. (or until all registered electors in any precinct have voted). Contact your county election office for your polling place hours.

ID for Voting

All voters must present ID when voting at the polling place. ID can be a current photo ID with the voter's name, or if photo ID is not available, a current utility bill, bank statement, paycheck, notice of confirmation of voter registration, government check or other government document that shows the voter's name and current address.

Provisional Ballots

Pursuant to [13-15-107](#), MCA, counting of provisional ballots that are not resolved by the end of election day may not begin prior to 3:00 p.m. the sixth day after the election. Proof of registration or required identification must be provided to the county election office by 5:00 p.m. the day after the election, or mailed to the county election office by the day after the election. Election officials or election workers shall notify each elector who cast a provisional ballot, by the most expedient means possible, whether or not the elector's ballot was counted, and the reason(s) why or why not.
